

REMARKS

The Office Action mailed September 11, 2008, contained a restriction requirement for claims directed at methods of preparing compounds. While Applicant believes the restriction requirement is improper and traverses the restriction requirement, Applicant has chosen to cancel the restricted claims, in favor of new claims 69-87. Claims 69-87 are directed to compounds instead of methods of preparing compounds. Claims 69-87 are pending in the application. Claims 69 and 79 are the independent claims, while claims 70-78 and 80-87 are dependent claims.

Support for claim 69 can be found at original claim 22. Support for claims 70-74 can be found at Scheme III. Support for claim 75 can be found at page 9, lines 6-28. Support for claims 76 and 77 can be found at page 34. Support for claim 78 can be found at pages 34 and 8. Support for claims 79, 80, 82, and 83 can be found at Scheme 3 at page 24. Support for claim 81 can be found at page 9, lines 6-28. Support for claims 84 and 85 can be found at page 9, lines 8-12.

Should the Examiner determine that additional issues remain which might be resolved by a telephone conference, Applicant respectfully invites the Examiner to contact Applicant's undersigned attorney.

Respectfully submitted,
